Biografi

A Londoner originally, I took my BA at the University of Birmingham (1991) and my MPhil at the University of Oxford (1994). In the 1990s and 2000s I worked on the revision of the Oxford English Dictionary, as a London advertising executive and then as a lecturer at the Estonian Institute of Humanities, Tallinn University, Estonia. I came to Åbo Akademi University (ÅAU) in 2005 and defended my PhD thesis here in 2011. From 2012-15 I held an Academy of Finland postdoctoral research position. In 2016 I gained the title of Docent in the Department of Comparative Literature at the University of Turku and then in 2016 I became a tenure-track Assistant Professor at ÅAU, rising to Associate Professor in 2019, and full Professor in 2023.
